### Kindergarten Fees (information current as at: 01/01/2024)

#### Kindergarten Program

At Chelmer-Graceville Kindergarten we are passionate about our play-based learning program. Play is a learning strategy for all children and one in which they learn through doing and at their own pace. Conveniently located opposite Graceville State School, our kindergarten has been designed to provide generous spaces for children to play, whether inside or outside in our large natural play area. Our well recognised teaching and learning guidelines; C&K Building waterfalls, ensure we provide quality play-based education and care. Every day is a little different, so your child can express their creativity and inquisitiveness at their own pace, make friends and learn how to interact socially. Your child will have the opportunity to create, discover and explore in a safe and rewarding environment of 3½ to 5½ year olds.

We are licensed for up to 45 children at any one time, however we offer up to 22 places in two groups, each offering different hours to meet the needs of our community, with their own degree qualified early childhood teacher and qualified teaching assistants. Each child will be carefully supported and monitored throughout the year with regular opportunities to discuss progress.

We provide an educator to child ratio of 7:1, (well above the national requirements (11:1)), and extensive early childhood educational resources that all contribute to a positive and rewarding learning environment for your child. Families and community play the most important role in our children's education. We ask that you stay in regular contact with us and share your feedback, experiences, ideas and concerns. Please ensure that we always have your most up to date contact and emergency contacts details on file.

We look forward to sharing the coming year with your family, and the partnerships and friendships the year will bring.

Provider information does not represent the official position of the Queensland Government.

### Approved Kindergarten Program Providers

This service holds a current service approval for a centre-based service in Queensland, under the Education and Care Services National Law (National Law) or the Education and Care Services Act 2013, and appropriate public liability insurance of at least \$10 million. To be eligible to receive kindergarten funding the service must meet specific requirements, including provide an approved kindergarten program:

- To children who are at least four years of age by 30 June in the year they commence kindergarten
- Delivered by a qualified early childhood teacher
- Aligned with the Queensland Kindergarten Learning Guideline, or other education program approved by the Queensland Curriculum and Assessment Authority
- For 600 hours annually made up of 15 hours a week or 30 hours per fortnight for 40 weeks. Any other model must be approved by the Department of Education prior to commencement

The Australian and Queensland Governments are providing subsidies to support the delivery of kindergarten programs. For more information, please visit the Department of Education website: <https://earlychildhood.qld.gov.au/>.
